Some of these programs are funded, some are partly funded, and some are user pays. Melbourne Tigers will support the athletes who are accepted into these programs in a number of ways;

GENERAL SUPPORT

At the Junior Tigers Presentation Day, a formal congratulatory letter will be presented to the individual co- signed by the Head of High Performance and General Manager.

FUNDRAISING AND GRANT SUPPORT

Upon request the club will:

- Provide an official letter of support and reference for the individual signed by the General Manager and/or Head of High Performance. This can be used in support to procure donations, sponsorship, grants and commercial financial assistance.
- Support individuals in applying for and accessing grants available from Local, State and Federal government agencies.
- Grant permission for individuals to fundraise in and around the Associations activities, events and programs. The Association will also promote individuals fundraising within reason. Any fundraising must be approved by the Association prior to commencing and the Association reserves the right to reject any application for fundraising if it deems it inappropriate, conflict with Association sponsorships or fundraising or breaches any Association policies.

DIRECT FINANCIAL SUPPORT

- The Association will provide financial support to individuals who are selected in the below:
 - National Team to the value of \$250
 - State Team to the value of \$200
 - SDP/NPP/SPP to the value of \$100
 - ECC/SCC to the value of \$100
 - FDP to the value of \$50

Please note that these amounts are not accruing. For an athlete that is accepted into a number of high-performance programs within the same year, they will be supported with the amount from their highest-level program only. Melbourne Tigers will distribute this financial support in the form of a voucher post Presentation Day.
